This form is to be filed in compliance with RULE 1104.
If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation taken on the well in accordance with RULE 111.
All sections of this form must be filled out completely for flow on new and recompleted wells.
File out only Sections I, II, III, and VI for changes of ownership, lease, completion, or transportation or other such change of conditions.
Separate forms G-104 must be filed for each pool in multiple completed wells.
