In response to your letter dated 3/22/88.

As approved by your office on August 8, 1967, the plugging was halted and the well has been used as a monitor well since that date for the Central Vacuum Unit. Current pressure on the well is 0 PSI. We propose to continue using as a monitor well.

A wellbore diagram is attached for your information.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
