

OIL CONSERVATION COMMISSION
HOBBS, NEW MEXICO

June 8, 1960

J. Don Hudgens, Inc.
Box 1898
Hobbs, New Mexico

Gentlemen:

The Commission requires that Form C-103 be filed at six month intervals indicating status and future plans for all temporarily abandoned wells. However, nothing has been filed for your RA State Well No. 1 located in Unit K of Section 31, T-18-S, R-36-E since July, 1956.

At your earliest convenience please file Form C-103 indicating the present status and future plans for this well. Unless you have plans for the future development of this well, this office sees no reason that it should not be plugged.

Yours very truly,

OIL CONSERVATION COMMISSION
