

NEW MEXICO STATE LAND OFFICE
SANTA FE, NEW MEXICO

DEPARTMENT OF THE STATE GEOLOGIST
NOTICE OF INTENTION TO TEST WATER SHUT-OFF

Notice must be given to the State Geologist or to the proper Oil and Gas Inspector at least five days before the test. It is desirable that a representative of the Department of the State Geologist witness the water shut-off before drilling into the productive sand whenever possible. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to sender. Submit this notice in triplicate.

NEW MEXICO STATE LAND OFFICE
SANTA FE, NEW MEXICO

DEPARTMENT OF THE STATE GEOLOGIST NOTICE OF INTENTION TO TEST WATER SHUT-OFF

Notice is hereby given to the public that the State Geologist, in accordance with the provisions of the Water Shut-off Act, Chapter 100, Laws of 1917, is conducting a test of the water shut-off in the Santa Fe River. It is requested that all persons who own or possess land in the Santa Fe River area, and who are entitled to water from the river, to file a statement of their water rights with the State Geologist, on or before the 1st day of March, 1918. A copy of this notice is being sent to the several water users in the Santa Fe River area.

Very truly yours,
State Geologist
Santa Fe, New Mexico

You are hereby notified that we intend to test the shut-off of water in the Santa Fe River. It is requested that all persons who own or possess land in the Santa Fe River area, and who are entitled to water from the river, to file a statement of their water rights with the State Geologist, on or before the 1st day of March, 1918. A copy of this notice is being sent to the several water users in the Santa Fe River area.

Additional information may be obtained by consulting the following:
1. The official record of the water rights in the Santa Fe River area.
2. The official record of the water shut-off test in the Santa Fe River area.

Respectfully,
State Geologist
Santa Fe, New Mexico
