17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

A casing leak survey was performed on Shipp "A" Well #1 on November 29, 1974, in the following manner. A pressure gauge was placed on the surface casing outlet and the valve opened up. The pressure gauge showed no pressure on the casing.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
