OIL CONSERVATION COMMISSION By M. M. Rogers

Title District Superintendent

Title _____ job

PHILIP: I will be glad to meet and agree with the U.S. Conservation Commission's decision to deny the permit and authorization to transport and release the birds. I hope many birds will remain in the ocean and die.

- the defendant's culpability is determined by the defendant's knowledge of the facts of the case. The defendant's knowledge of the facts of the case is determined by the defendant's knowledge of the facts of the case.

In all cases, the polymerization was carried out in a homogeneous system. The monomers were purified by distillation under reduced pressure. The solvents were purified by standard methods. The catalysts were prepared by standard methods. The polymerization was carried out in a homogeneous system.

On August 1, 1997, the American Oil & Gas Association (AOGA) filed a motion to dismiss the complaint on the grounds that the complaint is barred by the statute of limitations.
