Mr. L. D. Barrows Division Manager Box 983 Fort Worth, Texas

Dear Mr. Barrows:

I am writing to advise you that we have finally located the copies of Form SG 101, filled out by your company for Well No. C-4, in Sec. 25, T. 18 S., R. 37 E., These arrived at the State Land Office just as Mr. Frank Vesely, the new Commissioner, took charge and were misplaced.

I am forwarding this form to Mr. J. D. Hunter, State Oil and Gas Inspector, Carlsbad, New Mexico, who now has jurisdiction in the Hobbs Field. If other copies of this form h ve been supplied to Mr. Hunter, in line with my suggestion, no further attention need be paid to these copies.

I regret very much that this mistake occurred.

Very truly yours,

E. H. Wells, State Geologist.
