APCO File #30-005-08

Gentlemen:

The Linam "A" Com #1 has been shut in for several months due to an accumulation of salt bridges. Attached is our Form C-103 of the work performed on this well.

Please change the status of this well from marginal to non-marginal, so that an allowable may be established effective as soon as possible.

Yours truly,

  
S. R. Livesay
