

STATE OF NEW MEXICO
OIL CONSERVATION COMMISSION

SANTA FE, NEW MEXICO

June 29th, 1936.

Mr. F. J. Vesely,
State Oil and Gas Inspector,
Carlsbad, New Mexico.

Dear Pete:

Early in the month I received a letter
from the Maryland Casualty Company, a copy of which is
enclosed.

Will you kindly give me a report of
recent developments, etc. at this well. We certainly
should make every effort to relieve the Maryland Casualty
Company of their bond obligation.

Would it be feasible to prevent the
present owners from doing any further work until a proper
bond is filed with the Commission?

Very truly yours,

OIL CONSERVATION COMMISSION
