November 13th, 1936.

Mr. J. S. Ward,  
Artesia, New Mexico.

Dear Sir:

This is in reply to your letter of November 5th addressed to Mr. F. J. Vesely, State Oil and Gas Inspector, Carlsbad, New Mexico.

You are advised that the Liman No. 1 well has been plugged to the satisfaction of the Oil Conservation Commission. We are cancelling bond of Talbot and Mullineaux as of October 23rd, 1936.

The bond has been marked cancelled, but is being retained in our files for reference.

very sincerely yours,

Frank Vesely, Secretary  
Oil Conservation Commission
