

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Hobbs, New Mexico, August 9, 1939

Place

Date

OIL CONSERVATION COMMISSION,

Santa Fe, New Mexico.

Gentlemen:

Following is a report on the work done and the results obtained under the heading noted above at the

Gulf Oil Corp-Gypsy Prodn. Div. D.W. Hardin Well No. 2 in the

Company or Operator

Lease

SE/4 of Sec. 18, T. 18S, R. 38E, N. M. P. M.,

Hobbs Field, Lea County

The dates of this work were as follows: August 3, 1939

Notice of intention to do the work was (was not) submitted on Form C-102 on August 2, 1939 19 and approval of the proposed plan was (was not) obtained. (Cross out incorrect words)

DETAILED ACCOUNT OF WORK DONE AND RESULTS OBTAINED

4017' of 1" tubing with six 1" flow valves were installed inside the 3" tubing and the well produced by applying outside gas to the 1" tubing and flow through the annulus between the two tubing strings. The outside gas is from the bradenhead at well #2 located in NE NE NE of Section 24-18S-37E on Graham State "A" lease.

Production before: Swabbed an average of 40 bbls oil and 46 bbls water for first 29 days during July.

Production After: Flowed 220 bbls oil and 330 bbls water on test August 3, in 24 hrs, flowing thru 3/4" & 1/2" chokes wide open on the 3" tubing with 850# outside gas on 1" tubing.

Witnessed by Charley Taylor Gulf Oil Corp Foreman

Subscribed and sworn to before me this

9th day of August, 1939

J. W. Garner

Notary Public
