Gentlemen:

No reports have been filed for your Hardin No. 4 located in Unit D of Section 19, T-18-S, R-38-E since June 19, 1954 when Form C-102 stating your intention to shut the well in was approved.

The Commission requires that Form C-103 be filed at six month intervals indicating status and future plans for all temporarily abandoned and shut in wells, and we shall appreciate your making this delinquent report at your earliest convenience.

Unless you have definite plans for the future development of this well, this office sees no reason that it should not be plugged.

Yours very truly,

OIL CONSERVATION COMMISSION
