NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

Box 1957, Hobbs, New Mexico

MISCELLANEOUS REPORTS ON WELLS 11 41 9:53

Submit this report in TRIPLICATE to the District Office, Oil Conservation Commission, within 10 days after the work specified is completed. It should be signed and filed as a report on Beginning Drilling Operations, Results of test of casing shut-off, result of plugging of well, result of well repair, and other important operations, even though the work was witnessed by an agent of the Commission. See additional instructions in the Rules and Regulations of the Commission.
