Mr. Wm. Simpson,
The California Company,
Midland, Texas.

Dear Sir:

I am enclosing your approved copy of "Notice of Intention to Drill" on your McKinley #2 well in Section 20, T. 13 S., R. 33 E. Lea County.

You will note that I have approved your drilling program subject to the SPECIAL REGULATIONS adopted Jan. 31, 1933. Also that I inserted: 16" pipe to be cemented to the bottom of the cellar.

I am also enclosing a report requirement list for your convenience in making reports on this well to us. I would like to be present whenever they test pipe for a water shut-off. I would appreciate it, if your superintendent in charge would call me by telephone six to 12 hours prior to making test, thank you.

Very truly yours,

J. D. Hunter,
Oil Gas Inspector.
