The California Company,
Production Department,
Midland, Texas.

Att: Mr. Klingman.

Dear Sir:

In reply to a letter from your company under date of June 28th regarding reports which were never received by this department for your company's McKinley #2 well.

I have communicated with our Santa Fe office and they say they never received the reports; which I believe is correct; they have been very good in the past about forwarding matters of this sort to me.

I suppose it is possible that they were either lost in transit or addressed wrong. Please make another set of these and send them to :

J. D. Hunter,
State Oil & Gas Inspector,
Box 522,
Carlsbad, New Mexico.

Thanking you for giving this matter your usual prompt attention, I am

Very truly yours,

J. D. Hunter,
Oil & Gas Inspector.
