

NEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF	700	REPORT ON DEEPENING WELL	
REPORT ON RESULT OF PLUGGING OF WELL			

~~Hobbs, New Mexico, November 22nd, 1935.~~ Place Date

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a report on the work done and the results obtained under the heading noted above at the _____

Cypay Oil Company North Grimes Well No. 3 in the
Company or Operator Lease
SW/4 of Sec. 21 T. 18N R. 50E N. M. P. M.,
Hobbs Field, Lea County.

The dates of this work were as follows: ~~Completed - 11-18-35~~ ~~Tested 11-22-35~~
Notice of intention to do the work was [was not] submitted on Form C-102 on 11-19-35 19____
and approval of the proposed plan was [was not] obtained. (Cross out incorrect words.)

DETAILED ACCOUNT OF WORK DONE AND RESULTS OBTAINED

The hole was washed down, pipe tested with 1200# pressure for 30 Min., plug drilled, and the hole tested for 30 Min with 1200# pressure. Both tests were Okah and approved by Mr. Vesely State Oil & Gas Inspector.

Witnessed by _____
Name Company Title

Subscribed and sworn to before me this 3

I hereby swear or affirm that the information given above is true and correct.

day of Dec, 1935

Name P. J. Cummings

Patricia Mahoney
Notary Public

Position District Superintendent

My Commission expires Oct. 24 1939

Representing Cypay Oil Company
Company or Operator

Address Hobbs, New Mexico.

Introduction to the Theory of Groups

by J. D. Dixon

Cambridge University Press, Cambridge, 1994

This book is a textbook for a first course in group theory. It is written for students of mathematics and physics who are interested in the theory of groups and its applications. The book is written in a clear and concise style, and it contains many examples and exercises.

The book is divided into two parts. The first part is devoted to the theory of groups, and the second part is devoted to the applications of group theory.

The first part of the book is devoted to the theory of groups. It begins with a chapter on the basic definitions and properties of groups. This is followed by a chapter on the structure of finite groups, and then a chapter on the theory of representations of groups.

The second part of the book is devoted to the applications of group theory. It begins with a chapter on the theory of symmetry, and then a chapter on the theory of quantum mechanics.

The book is written for students of mathematics and physics who are interested in the theory of groups and its applications.

The book is written in a clear and concise style, and it contains many examples and exercises. It is a very good book for a first course in group theory.
