Mr. Roy Yarbrough  
Oil Conservation Commission  
Hobbs, New Mexico

Dear Roy:

We have received a wire today from Roy H. King asking us to cancel bond covering their Sanger Bros No. 1 in SW/4 SE/4 section 27, T.18 S, R.38 E.

Their well file shows Notice of Intention to Plug Well approved by you on January 12, 1948, but so far no approved plugging has been received by us. Will you please check and if you have approved this plugging wire us in order that we may cancel this bond.

In the event they have not filed the final plugging with the Commission, we are enclosing Forms C-103 which they may send to you direct.

Very truly yours,

Secretary and Director
