

NEW MEXICO STATE LAND OFFICE
SANTA FE, NEW MEXICO

DEPARTMENT OF THE STATE GEOLOGIST
NOTICE OF INTENTION TO TEST WATER SHUT-OFF

Notice must be given to the State Geologist or to the proper Oil and Gas Inspector at least five days before the test. It is desirable that a representative of the Department of the State Geologist witness the water shut-off before drilling into the productive sand whenever possible. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to sender. Submit this notice in triplicate.

Hobbs

N. Mex., 12-8-, 19 34

NOTICE OF INTENTION TO TEST WATER SHUT-OFF

It is the intention of the State Geologist to test the water shut-off in the oil and gas fields of the State. It is desired that a representative of the State Geologist be present at the test to observe the operation of the shut-off and to make a record of the results. It is requested that the representative be present at the test at the time and place indicated in this notice. If the representative is unable to be present, he should notify the State Geologist in advance. Should this notice be published in a newspaper, it is requested that the representative be present at the test at the time and place indicated in this notice.

Very truly yours,
State Geologist
