Gentlemen:

This will acknowledge receipt of form Sg-101,
"Notice of Intention to Drill New Well" for your Moon
Well No. 2, in the NE $\frac{1}{4}$ of Sec. 28, T. 18 S., R. 38 E.

Under date of April 13th I approved form Sg-101,
"Notice of Intention to Drill New Well" for your Moon
Well No. 1-B, same location as your Well No. 2, which
was submitted by J. P. Cusack, Midland, Texas. There
are a few differences in the two sets of forms submitted,
however, I believe they are for the same well.

Will you kindly inform me whether you intend to
call this well your Moon #2 or your Moon #1-B? Also,
please adjust the other variations.

Your prompt attention in this matter will be
greatly appreciated.

Very truly yours,

FJV:t

State Oil & Gas Inspector.
