Mr. Glen Harroun,
Box 1990,
Fort Worth, Texas.

Dear Sir:

Refer to your company's Grines No. 3
well located in the Hobbs Pool, Lea County,
New Mexico.

This well is practically completed and
you have never furnished us with anything more
than the "Notice of Intention to Drill"; we do
not ask that you keep the reports right up to the
letter of the regulations but we do expect an
operator to keep their reports up within 30 days.

There is a "Report Requirement List"
attached to your copy (Approved) of the "Notice
of Intention to Drill"; which shows the reports
required by this department. Please furnish us
with these back reports at your earliest convenience.

Very truly yours,

J. D. Hunter,
State Oil & Gas Inspector
