

NEW MEXICO STATE LAND OFFICE
OFFICE OF THE STATE GEOLOGIST
 SANTA FE, NEW MEXICO

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the State Geologist or proper Oil and Gas Inspector at least five days before the work specified is to begin. A copy will be returned to the sender on which will be given the approval with any modifications considered advisable or the rejection by the State Geologist or Oil and Gas Inspector of the plan submitted. The plan as approved should be followed and work should not begin until approval is obtained.

MISCELLANEOUS NOTICES

Notice is hereby given that the State Geologist or proper Oil and Gas Inspector at the
office of the State Geologist will receive and examine all applications for permits to drill
for oil and gas. The applicant must submit a plan of the proposed well, showing the location,
depth, and direction of the well, and the proposed casing. The plan must be approved by the
State Geologist or proper Oil and Gas Inspector before the well is drilled.
