Dear Sir:

In order to keep my records straight, please submit form SG-105, "Notice of Intention to Change Plans", on your W. D. Grimes Well #4 in the NE 1/4 of Sec. 28, T. 18 S., R. 38 E. On form SG-101, "Notice of Intention to Drill New Well" which you submitted on this well, the program called for the short string or top of the salt casing program. According to my information the 10 1/2" casing was set through the salt. I am enclosing three copies of form SG-105 to be used in this connection.

Also, I am enclosing a report requirement list showing the delinquent reports on your W. D. Grimes Well #4. Your cooperation in submitting these reports at an early date will be greatly appreciated.

Very truly yours,

FJV:
