SINCLAIR BUILDING

TULSA, OKLAHOMA

July 19th, 1935.

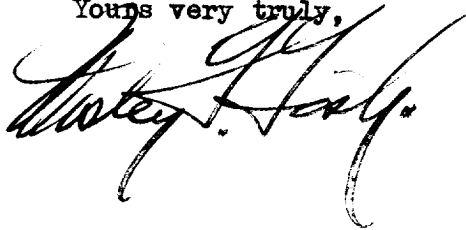

Oil Conservation Commission,  
Santa Fe, New Mexico.

Gentlemen:

Herewith Repollo Oil Company submits notice of intention to drill its W. D. Grimes Well No. 4 in the northwest one-quarter (1/4) of Section 28, Township 18-South, Range 38-East, Lea County, New Mexico.

In submitting said notice, we desire to call your attention that conformably to the position which we took at the hearing held by you at Santa Fe, New Mexico, on June 28th, we have made the location for the above mentioned well 330 feet from the south line and 330 feet from the east line of the northeast one-quarter (1/4) of the northwest one-quarter (1/4) of said Section 28; notwithstanding that said well No. 4, as so located, is not a direct offset to a well drilled on the adjoining lease.

Yours very truly,

A handwritten signature in dark ink, appearing to read "W. D. Grimes", written in a cursive style.
