Mr. M. H. Soyster
District Engineer
Geological Survey
U. S. Dept. of the Interior
Hobbs, New Mexico

Dear Sir:

In accordance with instructions contained in your letter of December 3, 1951, we have rewritten our "Subsequent Report of Deepening" on our Federal Bowers "A" well No. 14.

Report now shows dates when work was commenced, when well was placed on production, hydrafraced and date of initial production.

Yours very truly,

HUMBLE OIL & REFINING COMPANY
