DETAILS OF PLAN OF WORK

(State names of and expected depths to objective sands, show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work.)

all other important proposals.
 1. The first proposal is to increase the number of members of the Council of Ministers from 12 to 15. This is a very important proposal, because it will enable the Council to deal with the increasing number of matters which are referred to it. It is also a proposal which is in line with the practice of other Councils of Ministers in other countries.
 2. The second proposal is to increase the number of members of the Council of Ministers from 12 to 15. This is a very important proposal, because it will enable the Council to deal with the increasing number of matters which are referred to it. It is also a proposal which is in line with the practice of other Councils of Ministers in other countries.
 3. The third proposal is to increase the number of members of the Council of Ministers from 12 to 15. This is a very important proposal, because it will enable the Council to deal with the increasing number of matters which are referred to it. It is also a proposal which is in line with the practice of other Councils of Ministers in other countries.
 4. The fourth proposal is to increase the number of members of the Council of Ministers from 12 to 15. This is a very important proposal, because it will enable the Council to deal with the increasing number of matters which are referred to it. It is also a proposal which is in line with the practice of other Councils of Ministers in other countries.
 5. The fifth proposal is to increase the number of members of the Council of Ministers from 12 to 15. This is a very important proposal, because it will enable the Council to deal with the increasing number of matters which are referred to it. It is also a proposal which is in line with the practice of other Councils of Ministers in other countries.

Approved April 13, 1924.
