Re: Application of Gulf Oil Corporation  
for an Unorthodox Location in the  
Non-Prorated Byers Queen Gas Pool  
Lea County, New Mexico

Oil Conservation Commission  
P. O. Box 2088  
Santa Fe, New Mexico 87501

Attention: Mr. A. L. Porter, Jr.

Dear Sir:

Gulf Oil Corporation respectfully requests your approval to re-enter W. D. Grimes (NCT-A) No. 1 (plugged and abandoned in the Hobbs Pool April 2, 1970) located 330' FNL 330' FWL Section 32-18S-38E, Lea County, New Mexico, and complete as a Byers Queen Gas producer. The location of said well is unorthodox as pertains to Oil Conservation Commission Rule 104-C-2. The following facts are submitted:

1. The special rules and regulations for the Byers Queen Gas Pool were deleted by Order R-586-B dated September 30, 1957.
2. Applicant believes the re-entering of this well represents reasonable development in the Byers Queen Gas Pool for fuel gas supply source for operation of said lease, and adjoining leases.
3. The application is in the interest of conservation and the prevention of waste.

Waivers of objection to this application by the offset operators are attached.

Yours very truly,

By: 

C. D. BORLAND  
Area Production Manager
