Mr. J. C. Creeden,
Skelly Oil Co.,
Wink, Texas

Dear Mr. Creeden:

This will acknowledge receipt of
your revised Notice of Intention To Drill your
Turner #2 well, located in Sec. 34, T. 19 S., R.
38 E. Lea County, New Mexico.

I am returning the original
notices which called for a three string casing
program.

Since you submitted your notices
in duplicate instead of triplicate I am not return-
ing an approved copy; if you will send me your office
copy I will approve and return it for your files.

This letter will serve as an approval
for the well and you may proceed with the well.

Very truly yours,

J. C. Hunter,
Oil & Gas Inspector
