Gentlemen:

Mr. Gressett has made another inspection of the location for your Atlantic State No. 1 in Unit A of Section 36, T-18-S, R-38-E and has found that a wooden sign has been placed on the marker and that it shows Section 26 rather than Section 36.

Rule 202 of the Commission Rules and Regulations requires that the legal description of the location be placed on the steel marker in a permanent manner, and we feel that a wooden sign cannot be considered permanent.

Yours very truly,

OIL CONSERVATION COMMISSION
