Re: South Carter San Andres Unit

Gentlemen:

We have received Division Order R-10248 and R-10251, unitizing an area of the South Carter San Andres Pool and permitting injection into 5 wells.

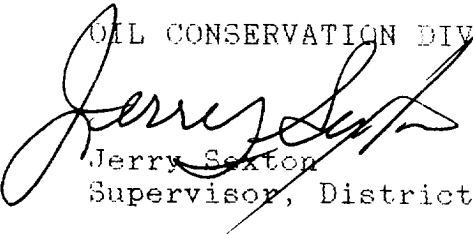

We were advised that a mechanical integrity test was to be conducted on the Effie Carter No. 2, located in Section 5, Township 18 South, Range 39 East, but it is our understanding that the new name and number of the well is to be the South Carter San Andres Unit Well No. 102.

In order to change the lease name and well number, please submit a C-104 for each well which is to be included in the unit.

If you have any questions, please feel free to call.

Very truly yours
