Re: S. P. Johnson SWD Well  
No. 1-L, Section 5,  
Township 18 South, Range  
39 East, Lea County, N.M.

Gentlemen:

It has come to my attention that injection into the subject well has apparently not been in compliance with the terms of Order No. R-3519 and that injected fluid may have been entering an interval other than that authorized by said order.

Based upon the above information, authority for use of the subject well is hereby suspended indefinitely. Further, consideration is being given to requiring either plugging or repermitting of the well and/or seeking of an appropriate fine for violation of the conditions of the order. Any extenuating circumstances you may wish to bring to our attention will be considered in reaching this decision.

Sincerely,

  
R. L. STAMETS  
Director
