Attention: Mr. Joe D. Ramey

Gentlemen:

Your letter of July 19, 1961 advised that before OCC Form C-103 covering the plugging and abandoning of our Fee Well No. 1 located in Sec. 6-18S-39E could be processed it would be necessary that the cellar be filled and the well name, number and location be stenciled on the well marker.

This is to advise that this work has been done and you may proceed with the processing of the form for final plugging and abandoning of the well.

Very truly yours,

Flora Anderson

Secretary
