Dear Mr. Ramey:

We are in the process of preparing O.C.C. Forms  
C-103 and C-105 for the above captioned well.

We are advised that the pit is filled but the  
location has not been cleared and it is anticipated  
that this will be taken care of within the next two  
weeks. As soon as it has been handled, we will  
forward the required plugging reports.

Very truly yours,

*Floris Henderson*  
Secretary
