Re: Dangle No. 1 Fee
Sec. 6, T-18-S, R-39-E
South Carter San Andres

Dear Joe:

Thank you for advising me that your files contain no report on the plugging of this well. The plugging and salvage operation were carried out for the Dangle Estate by Jesse Heath of Heath, Hubbard & Long, of Midland, Texas, and they were supposed to have filed the necessary reports with the Commission. This company had been in charge of the operation of the well.

Will you please forward form C-103 and C-105 to the office of the Dangle Estate, Post Office Box 1687, Lovington, and we will see that they are completed and filed immediately.

With best wishes, I am,

Very truly yours,

Ross L. Malone
