

OIL CONSERVATION COMMISSION

HOBBS, NEW MEXICO

January 23, 1959

Great Western Drilling Co.
P. O. Box 1659
Midland, Texas

Gentlemen:

Mr. John Runyon of this office has made an inspection of the locations for your plugged and abandoned Steve Taylor "B" No. 1 in Unit A and I. Claude Breckon No. A-1 in Unit B of Section 7, T-18-S, R-39-E and has found them to be cleared and a marker erected in compliance with Commission rules and regulations.

According to our records, however, Forms C-103, Results of Plugging, have been filed for neither well and Form C-105, Well Record, has not been filed for the Breckon No. A-1. Please file these forms at your earliest convenience in order that we may close the files for these wells.

Yours very truly,

OIL CONSERVATION COMMISSION

R. F. Montgomery
