

OIL CONSERVATION COMMISSION

HOBBS, NEW MEXICO

July 10, 1957

Great Western Drilling Co.
Box 1659
Midland, Tex.

Gentlemen:

We are returning an approved copy of Form C-103 showing the results of testing your Steve Taylor "B" No. 1 in Unit A of Section 7, T-18-S, R-39-E for your file.

It will be necessary, however, for you to submit your notice of intention to plug the well on Form C-102. In addition to the plugs listed on this form you will need a plug of 25 sax at the top of the salt section.

Yours very truly,

OIL CONSERVATION COMMISSION

Great Western Lumber Co.

Box 187

Las Alamos, N.M.

Dear Sir:

I am forwarding an application for a permit to cut timber on the land owned by you. The application is being made by the Hobbs Lumber Co. and is for a tract of land in the Hobbs Lumber Co. tract.

I am, however, in need of a permit to cut timber on the land owned by you. The application is being made by the Hobbs Lumber Co. and is for a tract of land in the Hobbs Lumber Co. tract.

Very truly yours,

Oil Conservation Commission

W. L. Fischer
Engineer, District 1
