The New Mexico Oil Conservation Commission
Hobbs, New Mexico

Attention: Mr. A. L. Porter

Gentlemen:

This letter is to be regarded as a supplement to the Form C-104 which we filed on our No. 1 Davis in Section 29, 18-S, 39-E, Lea County, New Mexico.

We wish to advise you that the cleaning out process on our well was completed November 11, 1951, and all distress oil which was not to be charged against our allowable was run prior to this date. In view of this, we ask that the Commission set an allowable for this well and make the effective date of such an allowable to be November 11, 1951.

Hoping that this meets with your approval,
+ remain,

Yours very truly,

AURORA GASOLINE COMPANY
