INSTRUCTIONS

This form shall be executed and filed in QUADRUFLICATE with the additional Office of the Oil Conservation Commission, covering each unit from which all or gas is produced. A separate certificate shall be filed for each transporter authorized to transport oil or gas from a unit. After said certificate has been approved by the Oil Conservation Commission, one copy shall be forwarded to the transporter one copy returned to the producer, and two copies retained by the Oil Conservation Commission.

A new certificate shall be filed to cover each change in operating ownership and cach change in the transporter, except that in the case of a temporary change is the transporter involving less than the allowable production for one proration period, the operator shall in lieu of filing a new certificate notify the Oil Conservation commission District Office, and the transporter authorized by certificate on file which the Commission, by letter of the estimated amount of oil or gas to be moved in the transporter temporarily moving oil or gas from the unit and the name of such temporary transporter and a copy of such notice shall also be furnished such temporary transporter. Such temporary transporter shall not move any more oil of great than the estimated amount shown in said notice.

This certicate when properly executed and approved by the Oil Construction Commission shall constitute a permit for pipe line connection and authorizat, in to transport oil and gas from the property named therein and shall remain : full force and effect until

- (a) Operating ownership changes
- (a) The transporter is changed or
- (c) The permit is cancelled by the Commission.

If any of the rules and regulations of the Oil Conservation Communistic mave not been complied with at the same time this report is filed, explain full ander the heading "REMARKS."

In all cases where this certificate is filed to cover a change in operating a mership or a change in the transporter designated to move oil or gas, which inder "REMARKS" the previous owner or operator and the transporter in asly authorized to transport oil or gas.

A separate report shall be filed to cover each producing vote as decay to be by the Oil Conservation Commission.
