NEW MEXICO OIL CONSERVATION COMMISSION

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission District Office within ten days after the work specified is completed. It should be signed and filed as a report on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an

agent of the Commission. See	additional instructions	in the R	ules and Regulatio	ns of the Com	mission.	
	Indicate nature	of repor	t by checking belo	ow.
