Shell Petroleum Corp.,
Hobbs, New Mexico

Att: Mr. Schuchle

Dear Sir;

Regarding the casing program for your company's State 1 "D" located in Section 24, Twp. 18 South, Rge 37 E. Hobbs Field.

In accordance with the SPECIAL REGULATIONS FOR DRILLING AND CASING OF WELLS IN THE HOBBS FIELD, LEA COUNTY; adopted January 31, 1933 (Copy attached) I cannot approve the short string of 9-5/8" casing for this well since the well offsetting this location had oil and gas in the Bowers formation.

I am returning your SG-101 for this well to be corrected to conform to the special regulations referred to above.

Very truly yours,

J. D. Hunter,
State Oil & Gas
Inspector.
