RESEARCH REPORT NO. 1000
1955

THE CHEMISTRY OF THE CARBON-13

The following report describes the results of the investigation of the chemical behavior of the carbon-13 isotope in the reaction of carbon-13 labeled compounds with various reagents. The results are presented in the form of a table of data.

TABLE I. Data for the reaction of carbon-13 labeled compounds with various reagents.

The data in Table I are the results of the investigation of the chemical behavior of the carbon-13 isotope in the reaction of carbon-13 labeled compounds with various reagents. The results are presented in the form of a table of data.
