Dear Mr. Gilbert:

A Division representative has made an inspection of the above Plug and Abandoned Well locations and found that they do not comply with Division Rules and Regulations. Enclosed are forms for each of the above wells that need to be returned to our office no later than December 5, 2000. Please check each item in the space provided on the form when the work has been done. We will then inspect these wells for release.

Sincerely,

Chris Williams; Supervisor, District I
