

NEW MEXICO STATE LAND OFFICE
SANTA FE, NEW MEXICO

DEPARTMENT OF THE STATE GEOLOGIST
NOTICE OF INTENTION TO TEST WATER SHUT-OFF

Notice must be given to the State Geologist or to the proper Oil and Gas Inspector at least five days before the test. It is desirable that a representative of the Department of the State Geologist witness the water shut-off before drilling into the productive sand whenever possible. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to sender. Submit this notice in triplicate.

REPORT OF THE STATE GEOLOGIST ON THE PROGRESS OF THE STATE GEOLOGICAL SURVEY

The following report is submitted to the Board of Regents of the State of New York, in accordance with the provisions of the Act of the Legislature, passed April 1, 1864, and amended March 1, 1870, relating to the State Geological Survey.

The report is divided into two parts, the first of which contains a general statement of the progress of the survey during the year, and the second contains a detailed account of the work done by the different divisions of the survey.

The first part of the report contains a general statement of the progress of the survey during the year, and the second contains a detailed account of the work done by the different divisions of the survey.
