

May 9th, 1936.

Mr. Jim Sullivan, Hobbs, New Mexico.

Dear Jim:

If you will kindly sign this enclosed Form C-103, "Report of Result of Plugging of Well", it will bring our records up to date on the old Hobbs High well.

If you remember, I talked this matter over with you some time ago.

With kindest personal regards.

Very truly yours,

OIL CONSERVATION COMMISSION

State 011 and Gas Inspector
