April 1st, 1936.

Mr. F. J. Vesely,
State Oil and Gas Inspector,
Carlsbad, New Mexico.

Dear Pete:

In checking through the correspondence I notice your letter of February 17th in regard to the Hobbs High No. 1 well, stating that you would contact Mr. Sullivan and get from him an affidavit regarding the plugging.

No doubt you are keeping this matter in mind and will attend to it as soon as convenient.

Very truly yours,

OIL CONSERVATION COMMISSION
