February 8th, 1936.

Mr. A. C. Chesher,
Hobbs Oil Exchange,
Hobbs, New Mexico.

Dear Sir:

This is in further reply to
your letter of January 15th.

I am sorry to say that the records in the files of the Oil Conservation Commission are incomplete for the Hobbs High, Inc. No. 1 Tatum well. We have form "Notice of intention to drill new well" for this well, but no record of the plugging. Apparently someone has removed this form from the files.

I am writing to Mr. F. J. Vesely, State Oil and Gas Inspector, Carlsbad, New Mexico requesting him to make a search of his files for additional data on this well. If he obtains any additional information, he will advise you directly.

I am sure this well was plugged according to program approved by the State Oil and Gas Inspector.

Very truly yours,

OIL CONSERVATION COMMISSION
