HOBBS OIL EXCHANGE

Hobbs, New Mexico.  
January 15, 1936

State Capital,  
Santa Fe, New Mexico.

ATTN. Chief of Geological Department.

Dear Sir:

The writer would appreciate receiving from your office a copy of the log also plugging report of a well drilled by the Hobbs High Corporation about the year 1928, and described as the North West  $\frac{1}{4}$  of the North West  $\frac{1}{4}$  of the South West  $\frac{1}{4}$  of Section 35, Township 18 South, Range 38 East, Lea County, New Mexico.

In answering kindly advise if the above location of well is correct as per your records, also any charges in connection with this affair kindly bill me for the same.

Thanking you in advance for this favor, I wish to remain

Yours very truly,

A. C. CHESPER.

Mr. J. H. ...  
Lobby (11 Exchange)  
Lobby, Santa Fe, New Mexico.

Dear Sir:

This is in reply to your letter of January 18,  
addressed to Santa Fe, Santa Fe, attention of  
Geological Department.

Enclosed is a copy of the log of the Lobsenz Well,  
No. 1, Lobsenz Well. The location as given in your  
letter is incorrect, and the proper location is shown  
on the log.

We do not have at present a report on the abandonment  
of this well, but possibly this information is on file in  
the office of the Oil Conservation Commission in Santa Fe.  
I will check this matter and advise you when I am next in  
Santa Fe, which will be in about ten days.

The price of the log is \$4.00, and we will appreciate  
a remittance of this amount at your early convenience.

Very truly yours,

Director, State Bureau of Mines  
and Santa Fe Geological.

W. H. H.
