Shell Petroleum Corp.,
Hobbs, New Mexico

Att: Mr. Schuenle

Dear Sir:

Refer to the reports on your company's
Berry number three, at Hobbs, New Mexico.

We are short the following reports on this
well and would like to complete the file since the
well is on production:

SG-106 Report of Beginning Drilling operation.
" " Results of test of water shut-off on 12"
" " " " " " " " " 9-5/8"
" " " " " " " " " 7"
" " " " Results of acid (first treatment)
" " " " " " " (Second ").

Very truly yours,

J. E. Hunter,
State Oil & Gas Inspector.

P. S. A supply of drilling forms is being mailed
today with the exception of the SG-103 which
will be forwarded as soon as I can get a new supply
from Santa Fe.
