RE: WELL IN DISTRICT I THAT DOES NOT HAVE ASSIGNED API NUMBERS
Gentlemen:

We have discovered this well now belonging to Scurlock Permian Corp. that does not have an API #. We would appreciate your help on finding or creating a new API # for this well.

The well in question is:

Saline Well #1-M, Sec.36, T-18S, R-37E; 577/S & 907/W

I have enclosed a copy of the well file for you to assign API numbers. If you have any questions on this matter, please call the District I office and talk to Donna.

Yours very truly,

OIL CONSERVATION DIVISION
