17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

It is proposed to to set a retrievable bridge plug in the 5 $\frac{1}{2}$ " casing above the present Abo Reef perforations (8644-8781'), temporarily abandoning this section. It is then planned to reperforate another interval in the same Abo Reef section in the 5 $\frac{1}{2}$ " casing from 8539-8591' with 10 jet shots and treat formation through these perforations with 10,000 gallon chemically retarded acid. Production tests will be run following this work.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
