Gentlemen:

Reference is made to your letter of December 4, 1963, wherein you request authority to complete your State of New Mexico "AE" Well No. 19, located in Unit D of Section 11, Township 18 South, Range 34 East, Lea County, New Mexico, as a tubingless completion in the Vacuum (Abo Reef) Pool.

It is our understanding that 2 7/8-inch OD casing will be set at approximately 9050 feet and cemented with approximately 1600 sacks of cement. Inasmuch as no corrosion is expected in this well and measures will be taken to counteract the expected paraffin deposition, you are hereby authorized to complete the aforesaid well in the above-described manner.

Very truly yours,
